

# 2026 OSANA Annual Conference

Where Current and Future Anesthesia Leaders Gather—and Sponsors Get Noticed

This annual event unites more than 350 anesthesia professionals for a high-energy, high-impact event designed for learning, networking, and collaboration. With **CRNAs, SRNAs, and RNs** engaging closely with conference partners, this is your chance to place your brand front and center.

**New this year**, we have an exhibitor passport where attendees will be enticed with games and prizes to visit with our partners.

The *little things are noticed*, and with a strategic sponsorship, **they'll notice you even more**. Enjoy premium recognition, and meaningful interactions by sponsoring one of this year's conference experiences.

## Who Attends? Based on last year...

197 FUTURE Nurse Anesthetists (SRNA/RRNA)

52 Registered Nurses with interest in nurse anesthesiology

110 Nurse Anesthetists networking with exhibitors and colleagues

### Annual Conference

March 20-22, 2026

Hilton Columbus, Easton Town Center

Annual partnership registration will open in December and exhibit registration in January.
